Current ASDCA Guidelines and Policies for Registering of Anatolian Shepherd Dogs can be found at www.asdca.org

In order for a dog to be registered with the ASDCA, it must meet the Anatolian Shepherd Dog breed standard set by the AKC and ASDCA. Please see the following web site for the Anatolian Shepherd Dog breed standard http://www.akc.org/breeds/anatolian_shepherd_dog/

NAMING GUIDELINES

The ASDCA will follow the AKC's guidelines for naming of dogs.

- a) Name choices are limited to (36) thirty-six characters. Spaces between words, apostrophes and hyphens are counted
- b) All letters in a dog's name are limited to the standard English alphabet. Diacritical markings (accent grave, accent acute, umlaut, etc.) are not printed on the Registration Certificate in a dog's name. When Registration Certificates are printed, all letters are capitalized.
- c) Words and phrases that may not be included in a dog's name:
 - Champion, champ, sieger or any other AKC title or show term, either spelled out or abbreviated
 - Obscenities and words derogatory to any race, nationality or transliterations of such words
 - Kennel(s), male, stud, bitch, dam and female
 - Breed Names alone
 - There are no restrictions on arabic (1,2,3) cardinal (one, two, three) or ordinal (first, second, third) numbers that are spelled out.
