

ANATOLIAN SHEPHERD DOG CLUB OF AMERICA **REGIONAL SPECIALTY & SUPPORTED ENTRY GUIDELINES**

Approved by ASDCA Board: 8/16/08

Background: The policy of the Anatolian Shepherd Dog Club of America (ASDCA) is to encourage Regional Specialties, Puppy Sweepstakes, and/or Supported Entries. These events will generally receive favorable approval from the ASDCA Board of Directors (BOD), in accordance with the following guidelines.

- 1) An ASDCA Regional Specialty must be requested a minimum eleven (11) months prior to the date of the American Kennel Club (AKC) dog show by the ASDCA club member who will serve as Show Chairman. The Show Chairman must request an ASDCA Regional Specialty Application from the ASDCA Secretary. Within 30 days of receiving the Regional Specialty Application, it must be returned to the ASDCA Secretary to obtain the ASDCA BOD's approval for the Regional Specialty. Approval for a Regional Specialty & Puppy Sweepstakes (if held) requires a simple majority of the BOD. Once approved by the BOD, the Secretary will notify the show chairman and authorize him or her to proceed.*
- 2) The ASDCA Secretary will file the Regional Specialty Show Application with the AKC.*
- 3) Whenever a Regional Specialty is held, the ASDCA BOD recommends a Puppy Sweepstakes and or Supported Entrees be held immediately prior to the event.*
- 4) The Regional Specialty Show Chairman must be a full member in good standing*
- 5) The Regional Specialty Show Chairman will provide show information / details to the Anatolian Times Editor as soon as possible, but not later than 6 months prior to the Regional Specialty. This information will include but is not limited to the date, time, location of the Regional Specialty and any other pertinent information such as a Puppy Sweepstakes, Banquet, and or a Supported Entry, for the AKC dog show the day prior or the following date of the Regional Specialty (assumes the AKC dog show consists of two AKC dog shows). The aforementioned information will be posted on the ASDCA Web Site; as soon as possible by the ASDCA Web Master. NOTE: In accordance with the current ASDCA policy, all information posted on the ASDCA web site must be approved by the ASDCA President or Secretary prior to posting.*
- 6) The Show Chairman will submit a report to the ASDCA Secretary within 45 days after the Regional Specialty. This report will include a copy of the Premium List, a marked catalog (reflecting placements of Anatolian Shepherd dogs entered); pictures of the Puppy Sweepstakes winner and Opposite; Best of Breed, Best of Opposite Sex, Best of Winners, Winner's Dog and Winner's Bitch pictures; article for the Anatolian Times and financial accounting for funds received and expended.*
- 7) No Regional Specialties will be held countrywide two (2) months prior to the ASDCA National Specialty*
- 8) A Judge's Seminar and/or Educational Seminar should be held in conjunction with the Regional Specialty where possible. The Judge's Seminar and Educational Seminar shall be coordinated with the ASDCA Judge's Education Coordinator at least six (6) months prior to the Regional*
- 9) The ASDCA will provide up to \$200 in financial support for a Regional Specialty. A financial report must be submitted with a request for reimbursement with the post Regional Specialty report. The remaining costs are the responsibility of the Show Chairman. All expenses for Regional Specialty requiring reimbursement must be approved by the Board.*

- 10) The ASDCA Board will approve all Regional Specialty Conformation Judges. The Show Chairman shall coordinate with the host Kennel Club prior to requesting approval for the Regional Specialty from the ASDCA. The purpose of the coordination is to determine whether the kennel club will approve an ASDCA Regional Specialty in conjunction with their AKC dog show and to advise the host kennel club that the ASDCA Board must approve the Regional Specialty Judge. Tentative approval for the Regional Specialty from the host kennel club is acceptable. The Show Chairman will then request approval from the ASDCA for the Regional Specialty (and or Sweepstakes and Supported Entry). After approval is granted by the ASDCA, the Show Chairman will inform the host kennel club. The Show Chairman will then obtain the names of possible judges from the host kennel club and provide them to the ASDCA Secretary to obtain ASDCA BOD approval. In those instances where the Show Chairman is not able to determine the identity of the Regional Judge, the ASDCA may on a case by case basis wave the requirement for ASDCA BOD approval.**
